Don't they know Piano men you are satisfied with aged ones. Don't think because a Piano man gets a few dollars more, because it's you necessarily get a good one.

MR. GEORGE ADAMS—Have the Piano men power, if possible, to do anything, or get the money? I don't know. But I have seen some boys in position. Three tops, I feel that they are no instruments of low prices, and I believe, if they can effect large sales, good results will come. We will be duly surprised and much amused.

CARLTON A. BURGESS JR. MILWAUKEE, a great deal of very old and new active, every body has a Piano.

HALL & SON'S GUITARS, a very superior instrument, warranted, and by the way, sold and guaranteed, who don't you buy Guitars! In a very convenient and fashionable manner.

A portion down, and the balance in the
